

# Palmetto Pass Sticker Tag Mounting Instructions

## STICKER TAGS MAY NOT BE USED ON THE CROSS ISLAND PARKWAY IN HILTON HEAD, SOUTH CAROLINA

Unlike previous versions of Palmetto Pass toll tags, this new Palmetto Pass Sticker Tag **MUST** be mounted on the inside of the windshield. The windshield glass acts as an antennae. If you hold the Sticker Tag up to the windshield when passing through a pay point, it will **NOT** work.

**If you do not properly mount your Sticker Tag on the inside of the windshield you will be liable for violation costs up to \$5.00 per occurrence.**

PEEL the clear covering off the **BACK SIDE** of your Sticker Tag.  
DO NOT try to remove the Sticker Tag from the front.

With the logo facing the inside of the vehicle, firmly press the tag onto the windshield. **The top edge of the tag must be at least 4 inches below the top of the windshield and at least one inch away from any other object such as the rearview mirror mount, radar detector, garage door opener, etc.** It is not necessary to apply excessive pressure when mounting the Sticker Tag. There is a computer chip located in the center of the Sticker Tag. Applying excessive pressure may damage the chip.

### **YES**

**Mount the Sticker Tag on the INSIDE of the windshield behind your rear view mirror.  
Mount the Sticker Tag out of your line of vision.**

### **NO**

**Do not mount the Sticker Tag on the dashboard, on your mirror, or on your visor.  
Do not mount the Sticker Tag in your line of vision.**

**If you do not properly mount your Sticker Tag on the inside of the windshield you will be liable for violation costs up to \$5.00 per occurrence.**

Sticker Tags are **NOT** transferable from vehicle to vehicle. If you sell your vehicle, you must remove the Sticker Tag or you may be liable for charges to your account. Remove the Sticker Tag from the windshield by peeling back from any corner. Adhesive residue can be removed from the windshield by using isopropyl alcohol. Once the Sticker Tag is removed from the windshield, it **WILL NOT** work.

If you change vehicles, you will need a new Sticker Tag. If you return the old tag, we will issue a replacement at no cost. Otherwise, you will be required to purchase a new tag.

( Please read the PalmettoPass License Agreement for details )

**STICKER TAGS MAY NOT BE USED ON THE CROSS ISLAND PARKWAY  
IN HILTON HEAD, SOUTH CAROLINA. If you will use the Cross Island Parkway at least once a year, we will issue you a hard case transponder. It is your responsibility to notify us if you will use the Cross Island Parkway. Failure to inform us may result in issuance of Violation notices, with fees up to \$25.00 per occurrence.**
